Dear Mr. Cho, Youn-Ki:

The payment for the initial certification of Air Agency Certificate number **2KMY639D** has been received and confirmed. The new certificate with the amended repair station name is enclosed and will remain in effect until **September 30, 2020**, unless it is surrendered, suspended, or revoked before the aforementioned expiration date.

In accordance with Federal Aviation Administration (FAA) Order 8900.1, your initial certificate is being issued for a period of 1 year. Surveillance activities will continue to be billed, and fees will be collected in accordance with 14 Code of Federal Regulations (CFR) Part 187.

In our continuing effort to improve the quality of service to our stakeholders, the FAA's Flight Standards Service would appreciate any comments you may have on our services and how to improve them. Your participation in meeting our goals for continuous improvement is greatly appreciated. You can submit your feedback by going to the following link and selecting Los Angeles IFO (FS-58) from the drop down menu:
